Picking Up

Flight/Vessel #	Time
AA1102	10/11/2026 13:37
Note	**Pickup Instructions for Miami International Airport (MIA)** Before you travel: Please make sure the phone number you have provided for your booking is correct, including the full international dialing code, via our Self-Service Centre **Important pickup time info** Your driver will start waiting for you 60 minutes after flight arrival, currently scheduled at 13:23 local time. The included free waiting time from then onward is 45 minutes. **Please follow the below instructions to find your driver:** Please make sure your phone is turned on. Your driver will give you instructions on how to meet them. **If you cannot find your driver, call them** Please switch on your mobile phone right after landing and check for the SMS with your driver's mobile phone number, which you should have received 20 minutes before pickup. **If you cannot reach your driver** In case you cannot find your driver, please contact him directly using the mobile number sent to you via SMS or use the Driver chat in our Self-Service Centre. If there are any issues reaching the driver, please call Talixo at their emergency number +1(646) 687-6714 (USA) or +49 30 346 497 360 (Germany).
